INFORMATION

High School Stars was created in 1991. There were no programs available for high school age boys to keep them on the ice during the spring and summer months and off of the streets. With the help and input from the rink an idea was made into a reality. We started out with 6 teams of boys and have grown into 20 teams of both boys and girls. It is for intermediate to advanced skaters. It

was meant to be a fun league with the opportunity to try new things and to practice your skills to prepare for the winter season. Players do not need to be affiliated with a high school program; they only need to be of high school age. We have had younger skaters; however their skating skills must be advanced. **This is not a fighting league and fighting will not be tolerated. Those who receive a Fighting penalty are expelled and money will not be returned.** Multiple Game Misconducts will also result in expulsion.

ATTENTION GOALTENDERS

Goaltenders are not guaranteed a spot no matter when they sign up as goalies are at times brought in with entire teams. Each team **must** have 2 goaltenders. We will place goaltenders as needed.
